Section A – Important Notes

- 1 Terms defined in the Deed shall have the same meaning when used herein, except to the extent that the context requires otherwise.
- 2 Please log into your account via our Metis SG website to view your Account Value.
Please seek advice from your Financial Adviser before making any withdrawal or encashment of your Plan. Your Financial Adviser will be able to explain the implications of your decision and provide appropriate recommendations to you, taking into account your investment objectives, financial situation, needs and any applicable fees and charges.
- 3 Any withdrawal or encashment for distribution will only be made to beneficiaries of the Trust Plan.
- 4 If for any reason this form is incomplete and your instruction cannot be processed completely, and it results in a delay in processing your instruction, Metis SG shall not be liable for any direct, indirect, special or consequential loss or damages arising from such delay.
- 5 Accurate instructions received by Metis SG before 3:00p.m. on any given Hong Kong/Singapore business day will be processed on the next asset dealing date.
- 6 Any instruction received on a non-Hong Kong/Singapore business day or after 3:00p.m. on any given Hong Kong/Singapore business day will be treated as being received on the next Hong Kong/Singapore business date.
- 7 Should there be any pending transaction under my/our Trust Plan, my/our application for Partial Withdrawal or Encashment will only proceed after the pending transaction has been completed. I/We understand that this can mean a delay in effecting my application for Partial Withdrawal or Encashment.
- 8 No Exit Charge is payable on Partial Withdrawal provided that (i) the number of Units to be deducted aggregates to a dollar value equal to or more than the Minimum Withdrawal Amount, based on the relevant indicative Bid Price; and (ii) the Plan Value does not fall below the Minimum Trust Plan Value. Any Partial Withdrawal that results in the Trust Plan Value being less than the Minimum Trust Plan Value will effect an encashment and be subject to Exit Charges (where applicable).
- 9 Any Regular Withdrawals made must be equal to or more than the Minimum Withdrawal Amount. The Regular Withdrawal amount will be deducted equally from all Assets held in the Accumulation Account or in such a manner as Metis SG may, in its sole and absolute discretion, deem fit. Any Regular Withdrawals will be suspended if the value of the relevant Plan account falls below the Minimum Trust Plan Value.
- 10 Any on-going Regular Withdrawal will automatically cease once Metis SG has accepted your request for a Regular Withdrawal pursuant to this form.
- 11 Any uncollected Trust Plan charges will be deducted from the withdrawal amount or encashment value prior to any distribution.
- 12 The withdrawal amount or encashment value may be significantly less than the contributions made under the Plan due to the deduction of exit charges and any uncollected Trust Plan charges.
